

Sports Premium Funding Allocation 2025 - 2026			
Total number of pupils on role		192	
Proposed spend of funding		£17,750 (Approx.)	
Objective To use the sports premium to raise outcomes for children in PE, sport, physical activity and keeping healthy across the school.			
Objective	Actions	Cost	Impact to be reviewed in July 2026
To teach pupils the importance of a healthy mind, emotional and mental wellbeing, resilience, Empathy and positivity.	1 full day of support from Relax Kids – delivering health and wellbeing session across the school	£6000	Children are able to articulate and implement taught strategies to improve mental health and wellbeing. Noticeable improvements in behaviour and reduced anxieties across school.
To enrich the teaching of PE. To give children opportunities to discover talents / identify sports which they may otherwise not be able to experience.	1 full day of additional sporting opportunities (per week), additional to the teaching of PE, delivered by a PE specialist	£6000	Children have had access to a wide range of different sport throughout the year. Increased hours per week of physical activity for all children across school.
To develop outdoor physical development opportunities in the Early Years Foundation Stage to ensure children develop strong foundations	Visit outstanding settings to review outdoor provision. Invest in EYFS equipment in the outdoor area to promote physical development	£2000	Positive Ofsted outcome regard EYFS provision. 100% of children met the PD goals in 2026.
Enable children who attend the Before and after school club to have access to a variety of physical activities.	Audit, Replenish and update sports equipment in before and after school club to ensure pupils have access to a range of physical activity.	£250	All children with access to club have access to daily physical activities.
Access to high quality resources for all during PE sessions.	Audit, Replenish and update PE equipment to ensure pupils can access lessons.	£1000	All children have access to appropriate resources in order to make at least expected progress in P.E.
Broader experience of a range of sports and activities offered to all pupils	Join sports organisation to organise more sports tournaments outside of school Additional achievements: Continue to offer a wide range of after school activities both within and outside the curriculum in order to involve more pupils. All children take part in an annual sports day in the summer term with family members invited to watch and celebration event with certificates.	£250	There has been an increased number of children attending organised sports outside school.

	Supporting families with access to enhancement activities e.g. Robinwood		
To maintain high quality PE teaching and learning throughout the whole school. The engagement of all pupils in regular physical activity	Scheme of learning to support staff with CPD / teaching of PE	£2000	The new PE resources and equipment has ensured the children can have access to a wide variety and high quality PE lessons / enrichment lessons. The new PE equipment enables the provision of a wide range of after school clubs.
Staff to run after school sports sessions for children across school Increase number of sports clubs across school	A range of after school clubs to be offered to children Enhanced provision of multi-skills sports across KS1 and KS2	£250	High attendance at football, multi-skills and high 5 clubs.
<u>Sustainability of Improvements</u> SLT will work closely with the P.E. leader to ensure that the sport's premium is implemented successfully and that children have access to enrichment opportunities.			

Meeting national curriculum requirements for swimming and water safety	% of pupils
What percentage of your Year 6 pupils could swim competently, confidently and proficiently over a distance of at least 25 metres when they left your primary school at the end of last academic year?	76%
What percentage of your Year 6 pupils could use a range of strokes effectively [for example, front crawl, backstroke and breaststroke] when they left your primary school at the end of last academic year?	76%
